New Year Gathering

We Can Change the Future

The New Year Gathering is an event at which individuals gather at the beginning of the year to re-examine their aspirations; and Keiko Takahashi will provide a lecture addressing the new year. In addition, Divine Truth cards, inscribed with the Twelve Bodaishin prayers composed by Keiko Takahashi, will be offered to each participant to serve as guideposts for the New Year.

GLA aims to bring out the light of God within each person into this world. Each member studies and puts to practice the Study of the Soul as an individual, regardless of occupation and age.
